Thanks,

I will keep you posted.

Fred,

We prompted the system for another reset on your password on the 26th after receiving your email, so obviously that is still not working. I asked our SharePoint Administrators if they can reset your password again email it to you. I believe that we have had to go this route in the past.

Thanks,
Marc

Marc,

Unlike Michelle, I have not rec'd anything regarding sharepoint since my last send to you.
