I suggest we do switch the meetings as it will give us time between discussing legal questions and meeting with NWEA. Joelle and Christine if you agree please let group know as legal premeeting is just with us and the attorneys. I am out of pocket between 9 and 12 today so will catch up with you when I get back to my desk at noon.

Sure - let's play it by ear, and see where we all should take it. It looks like we just need to make sure we cover the legal questions and nail down the extension date by the tech team in the next couple of meetings. We can see what Joelle, Lynda, and Christine want to cover. Because Allison has the timeline and it's so detailed, that might make the extension date conversation quicker.

Not sure whether folks will see this in time, but it seems like there is a chance to switch the subject matter of the Monday meeting and the first Tuesday meeting if people are inclined to do so.

Subject: Summary of next week's CZARA calls

Hi Everyone – I just talked with Christine to confirm the calls/meetings on CZARA for next week. Here they are:

Monday, May 19 – 10-11AM PST/1-2pm EST – Joelle, Lynda, and Christine will be on the call with the rest of the team. One of the goals of the call is to make sure the tech team can take a final action to disapprove or public notice

an intent to approve by January 31, 2015. Phone #: Non-Responsive

Tuesday, May 20 – 10-11AM PST/1-2pm EST – Joelle, Lynda, Christine, and the attorneys will meet to discuss legal questions from Lynda. Call-in # TBD.

Tuesday, May 20 – 12:30pm PST/3:30 EST – This is a proposed time to talk with NWEA, if JB is able to make this time. If she is, then we'll propose it to NWEA.

Subject: OR CZARA Schedule Extension request

We're gearing up to check-in with NWEA next Tuesday. One central purpose of that check-in is to tell them what length schedule extension we need. Are we asking for a schedule extension until January 31, 2015? I think we need to be clear on what we want. January 2015 has been my operating assumption.

Thanks.

P.S. I apologize for swamping your email boxes with too many messages today.
