Subject: CZARA Legal Qs for June 17th Meeting

Attorneys--

As promised in Don's earlier email, please see attached several additional legal questions. We hope you will be able to discuss before our June 17th meeting and share your answers during the call. You've seen some of these questions in various forms before so have likely already begun to ponder. However, since the answers to the questions could significantly influence our technical review of the public comments and Oregon's submital, we wanted to make sure we had clear answers from the legal team.

Thanks in advance for your consideration.
Allison
