Lynda,

I just prompted the system (again) for a reset on your password. Let me know if you do not receive it.

Thanks,

Marc

Still nothing. Will likely require a manual reset as you concluded.

Fred,

I just prompted the system to reset your password. Let me know if you do not receive it in the next couple of hours. I suspect this will not work and that I will have to have our IT department perform a manual password rest and email it to you as before.

Thanks,

Marc
