Dear Mr. Halsey,

Attached please find a letter regarding the Leviathan Mine Site Remedial Investigation/ Feasibility Study (RI/FS) schedule. In this letter, we outline an path forward to documenting our mutual concurrence on a schedule to have a final RI/FS by June 30, 2019.

I am currently on travel meeting with the Washoe Tribe of Nevada and California's Chairman for a site tour. I understand that Brian Johnson will also be attending this event. I am happy to discuss this letter with him in more detail and I will follow up with you when I return early next week.

Sincerely,
