Any way it works is OK with me. I could leave later in the day.

Marla,

I approve Phil travelling on the 11th to make sure he is available to brief on the 12th. We have been working for some time to get a meeting time that works for everyone. Unfortunately, it is after a holiday and in the early morning. We will be using video conference equipment, so Phil needs to be in Anchorage. My understanding is that Phil would need to fill out a comp time request form for me to approve.

Thanks

Attached is a travel request for 11/11. I need to come the day before so ensure I am in Anchorage on time for the Pebble Presentation on the 12th.
