How about tomorrow at 9:30 am PDT, or 2 pm PDT?

Josh – I understand that you and I are supposed to talk about devising a process for formalizing Atlantic Richfield's intent to comply with the updated schedule for completion of the RI/FS and associated reporting requirements. I'd also like to talk about Lynda's repeated requests that ARC contractors and personnel include you on all emails sent to EPA and copied to me. What is a good time for you tomorrow or early next week?
