Changing time to start at 1 and end at 3:30. Please let me know if this does not work for anyone.
The proposed meeting is to hear and discuss comments from EPA and BLM on the October 31, 2016 NDEP/ARC Framework for Agreement and discuss the viability and schedule for NPL deferral.
Please forward to other attendees/counsel for EPA and BLM as needed.
We will meet at NDEP's offices at 901 S. Stewart in Carson City. The large meeting room is on the 4th floor at the south end of the building.
You can take the elevator to the 4th floor and turn right to check in with the Admin office to get help finding the room if needed.
