Letter to Administrator Pruitt and Binder Materials [FINAL].pdf

Per my email last night—attached is the letter that was sent to the Administrator

From: Lyons, Troy
Sent: Wednesday, May 3, 2017 6:18 PM
To: Freire, JP <Freire.JP@epa.gov>; Ferguson, Lincoln <ferguson.lincoln@epa.gov>; Graham, Amy <graham.amy@epa.gov>; Bowman, Liz <Bowman.Liz@epa.gov>

Subject: Pebble Mine Statement
Importance: High

OPA—yesterday the Administrator had a phone call with Senators Murkowski and Sullivan regarding Pebble Mine. As this continues to play out, Senator Murkowski mentioned that she sent the Admin (waiting to receive an electronic copy) a packet of input from stakeholders on Pebble Mine.

The Administrator offered to issue a statement that he received the packet and the voices have been heard, which the Senators would like him to do.
