Subject: glyphosate: slide deck for tom burke meeting
glyphosate tom burke briefing slide deck 11.4.15.pptx

Hi all,

Please see attached for the slide deck for the tom burke briefing. Only HED, ORD, and Thuy really needs to look at this, but I am including the whole team as FYI. I have removed all slides from previous Jim Jones briefing except the HED slides. I incorporated Jess' revised cancer slides. I deleted the one comment on one of the cancer slides. Slide 18, I corrected to "proposition 65" where before it was "proposition 6" and inserted "PRVD 2015-01" where before it says "PRDV 2015-xx".

Let me know if any additional corrections ASAP before I send across the river this aftn.

Thanks,

Khue Nguyen
