GAPQRTJULAUGSEPT2017-06272017120427.pdf

Submitted online grants.gov the other documents and in the middle of the process our power surge cut me off. trying again. this is the last quarter report and have all other documents for you as well.

No wind, no issues but our power in building keeps surging!
Cannot believe the luck. I may also send all documents together today anyway. Grants.gov ticket # 464890
Thank you!
