Good idea to brief Enrique first. I can set it up and have Christina put the 11/23 briefing on his calendar, or you can - just let me know how you prefer to do it.

I will also double check with HQ about who does the briefing. I'm pretty sure it's the same as the Woolford briefing, so Jennifer will lead and we will be there for questions.

One thing I forgot to mention was that angeles asked me to invite Enrique to the NPL listing briefing w/Mathy. She also asked that we brief Enrique beforehand.

Question for Sharon, I thought that HQ folks, Terry and Jennifer, did the actual briefing, and the region sat in to answer questions. Is that correct?
Also is there a separate anaconda briefing or is it in conjunction w/Argonaut?
