Sorry if this is a duplicate of an invitation from Gene. I just wanted to make sure people had all the right information.
This meeting will be at NDEP offices at 901 S. Stewart St., Carson City on the 4th Floor Great Basin Conference Room at South end of building

For those who haven't been here before, please take the elevator to the 4th floor and turn right to check in at the Administration office. They can show you to the conference room.
