We will send you the one pager with talking points and a longer version that we have already provided to HQ.

Angeles can you send those materials to Bill Glenn and Amy?

Thanks

John

John and Rusty,

Well, we just got word from HQ that they'd like us to help out on talking points for Monday's Anaconda event after all. Do you guys have some materials that you could boil down into some TPs?

Rusty, Kelly said George Hull mentioned an OECA attorney back there who was knowledgeable about this – feel free to reach out to George if it's of help in putting something together.

Sorry for the late hit… think we can pull together a draft by tomorrow morning? Let us know how we can help. Thanks!

Bill
