Hi Alexis,

As you probably have heard, I've announced my retirement for later this summer. I would like to come over with Dave Emme, Greg Lovato and Jennifer Carr to talk transition and touch base on a few items. Most notably I'd like to talk about Anaconda, NDOT and the North Las Vegas pre treatment issue. But mostly I'd like to say good bye to you and some of your team. I know it's summer but I was wondering how many of you, Debbie, Sylvia, Enrique and Kathleen might be available on 8-23. We would probably come over in the morning and spend the night. Perhaps we could talk shop and plan the early evening for some socializing, story telling and goodbyes. Let me know what you think.

Thank you,

Leo

Dear Leo,

Might you and your senior management team be interested in a one-day discussion with ours, re our priorities for the year ahead, any current issues, cultivating our work relationship while breathing in the cool marine air? If so, would you like to come to San Francisco in September or October? I've been thinking it would be good for you and I to co-host a day of working together.

I hope all's well,

Kind regards,

Alexis
