FOIA REQUEST

Dear FOIA Officer:

Pursuant to the federal Freedom of Information Act, 5 U.S.C. § 552, I request access to and copies of any and all documents that were generated in preparation for, during or following a June 14 meeting between staffers within the Environmental Protection Agency's Office of Pesticide Programs and a group of scientists led by Dr. Stephen Frantz. This meeting may have taken place on Capitol Hill, possibly in the Washington offices of Rep. Ted Lieu (D-Calif.).

The documents I am requesting include, but are not limited to:

- Talking points
- A list of people attending the meeting
- Notes, either electronic or hand-written, taken during the meeting
- Meeting minutes
- Follow-up correspondence between meeting attendees and/or their respective staffs

Please do not hesitate to contact me if you require any clarifying information about which types of documents I am seeking. I would also be happy to entertain any good-faith suggestions you may have to modify this request in a way that makes fulfilling it less time consuming.

I would like to receive the requested information in electronic format preferably, although hard copies of the documents are acceptable.

I agree to pay reasonable processing fees for the processing of this request up to the amount of $49. Please notify me prior to your incurring any expenses in excess of that amount.

Through this request, I am gathering information on that is of current interest to the public. This information is being sought on behalf of Bloomberg BNA for dissemination to the general public.

If my request is denied in whole or part, I ask that you justify all deletions by reference to specific exemptions of the act. I will also expect you to release all segregable portions of otherwise exempt material. I, of course, reserve the right to appeal your decision to withhold any information or to deny a waiver of fees.

I look forward to your determination regarding my request for expedited processing within 10 calendar days, as the statute requires.

Thank you for your assistance.

Sincerely,

David Schultz
