.....
,,,,,,,,
No, we got a sample event scheduled for Monday so I want to put it all together to ship on Tuesday. We have only soil samples for metals so no hold time issues and everything is in secured cold storage. I hope to start getting paperwork started today however.

Hi Dietrick and Dante –

Checking back in on sampling status for Anaconda Yerington for the CLP. Do you expect any lab deliveries for Sat 3/11?

Hi Dietrick –

The Sample Management Office is checking in on shipping status for cases. Any updates / changes for Anaconda Yerington?
