Hey Jeryl,

I am trying to upload the PP to the TT Sharepoint site but am having trouble accessing the TT Sharepoint site with my username. I can access it with the public username, but that does not enable me to upload anything.

Can you upload it for me? Let me know. Thanks!

Subject: Anaconda OU-8 Proposed Plan

Colleagues,

Attached is the Proposed Plan for OU-8. This is the final version - feel free to distribute. The file has been submitted to the printer and will take approximately 5 days for printing and mail-out. My graphics specialist is working on the 508-compliance version that will be posted to the webpage, which will be completed and posted on Monday. My Community Involvement Coordinator is distributing the electronic file to her stakeholder list as well.

Thank you for all your assistance with the project!
