I will not be able to attend the meeting on Friday. I understand that Atlantic Richfield will be well attended. Maybe we can carve out some time early next week to have a call to compare notes?

> Guys. I've been at the Yerington site this week and flying home tomorrow morning. However, based on the flight delay trends I'm experiencing there is a good likelihood I will be in the air and unable to call into our routine call tomorrow. Any chance we can bump it to the afternoon? Or some other mutually convenient day in the near future?
