Hi Maria,

I just received the hard copy of the attached in the mail today. I will forward to the City with the recommendation that it be executed. I do not anticipate that there will be any problems, as I have discussed extensively with the City. However, since I am just getting this today and will mail to the City now, is there any way to get a little extension on the return to you. By the time the agreement gets to the City, and the City attorney has an opportunity to track down the Mayor for execution, and then get it returned to the US EPA, we may be pushing the due date of July 24th. Can we extend the due date to July 29th?

Please advise.

Thank you.
