"Perhaps we could talk shop and plan the early evening for some socializing, story telling and goodbyes".

As Eliz Adams can't be here on the second day, let's ensure all Air-related stuff happens the afternoon of the 23rd. I've asked Leo where he'd like to have his farewell dinner. Some of our team might stay for a drink, some may opt to stay for dinner, very optional. I've asked Abi to hold Havasupai.
