Subject: meeting request on December 19

Alexis,

I hope you are well. I appreciate the productive discussion that we held last week regarding the Deferral Agreement for the Anaconda mine site in Yerington. I plan to be in San Francisco on December 19. My flight will arrive at 7:20 am. If you are available,

I would appreciate it if we could meet sometime in the morning to discuss EPA past costs associated with the site as well as any other matters to progress the proposed deferral and related agreements.

Please let me know your availability.

Best Regards,

Bob Genovese
