Melanie

I'm forwarding this to our FOIA Officer, Brian Pummill, to see if he has concerns.

If he is OK with it, and EPA determines that the material is OK to release under FOIA after reviewing it, I don't have any objection.

Hello,
I'm sending you all this e-mail to notify you that EPA intends to release e-mail that you sent or were recipients of.

The agency received multiple FOIA requests on 595 and Woodland road, and we are hoping to complete their responses soon. Please respond to this e-mail whether you have any objection to the release of interagency communications regarding these subjects.

Let me know if you have any questions,

Thank you,
Melanie Burdick
