Subject: Atmospheric Water Generation

Hi Sarah. Below is the contact info for Watergen. They will be the first CRADA for this project.

Jay Garland and company will be preparing the Statement of Work. But we can reach out to Watergen in the meantime. We can discuss this further in our weekly client meeting tomorrow morning.

"Everything should be made as simple as possible,
but not simpler." - Albert Einstein

Office: 202-564-8303

iPhone: 202-839-1488 (for telework)

Can you please get info to Sarah?

Thanks.
