It is in one of the weird rooms. If you are running late it may be easier for you to call in. Your choice.

I'll add this to the agenda.

Thanks.

I have to meet with our front office again today on Water-Gen at 10:30, so I'll probably be a half hour late to the meeting (in the Policeum, right, or is it in one of those weird alcoves by the elevator?). [redacted]

Scott's got a brief to take care of this morning, so he probably won't be able to attend. He and I talked about the electronic signature issues yesterday.
