I'm sorry we're having so much trouble with the hardcopies. I will overnight another box tomorrow first thing. Can you confirm the address you want it at so that I can eliminate one last variable?

Hi Kevin, Sorry to bother you. However, EPA Region 5 has not yet received a hardcopy of FERC's DEIS for the Rover Project/Panhandle Backhaul Project/Trunkline Backhaul Project (a.k.a., Rover DEIS). When may EPA Region 5 expect to receive the hardcopy of the Rover DEIS that Region 5 requested? Please advise. Thank you. Virginia

Kevin, When may R5 expect to receive our hardcopy and CDs of the DEIS for the Rover Pipeling project? Thank you.

All 15,000 copies were boxed and mailed to federal agencies, stakeholders, and the commenting public via first class USPS in accordance with ours and CEQ regulations. Additionally, electronic copies were filed with the EPA to the EPA's central data exchange website for EPA's notifications in next weeks federal register. Please advise me if any of your copies arrive damaged or you receive the incorrect number.

Hope you are well,

Kevin
