Michael and Ardra, there is no need for you to be on the call. It will be me and Geoff (attorneys) and Sarah and Kathleen (Tech Transfer specialists). We will be discussing the legal terms of the CRADA and not the Statement of Work.

One less thing for you to worry about. ☺ - Laura

Hello Zach. I just sent you a meeting invitation for a phone call on Wednesday. I know it's short notice. I looked out on our calendars here in DC and the next date wouldn't be for at least a week.

I'm hoping you and your team will be free on Wednesday at 5:00 pm your time (10:00 am Washington DC time). If not, please let me kow and I'll try again.

I look forward to speaking with you! - Laura

Dear Laura and Geoff,

I hope this email finds you both well! Liat is our Head Counsel at Water-Gen, and she has been going over the various documents sent to us by Ardra last week. She wants to make sure that she understands certain issues, so I thought I would introduce you all as the respective "team leads" for all legal issues in order to facilitate a conversation.

Could you suggest some relevant times for a call? FYI - Israel is 7 hours ahead of EST (7:00 PM here is 12:00 PM EST), so perhaps we can schedule a call sometime during the morning hours your time.

Thanks so much!
