Hi Erica,

No need to be sorry. Today from 2-3 will not work because we have management meeting scheduled around that time. I will talk to Tom when I see him at the management meeting and get back to you re what time tomorrow we can do the call.

Erica,

GW and I we're speaking and in advance of the SMBRC/SMBNEP meeting for this August we wanted to discuss the concept of the schedule in relation to enabling review by EPA in step with the outlined plan.

In short, we've discussed this in concept, I want to explore it a bit further tomorrow if available.

My guess is we could keep it between 20-30 minutes.

Let me know if you can or are willing.

Thanks!

Tom Ford
