Thanks, Virginia

We'll get the process started. I am sending this to Karin to review Monday morning, and she can share the draft letter with Senior Management on Monday.

Thank you, Aimee

Hi Aimee,

Since Justin is out of the office until Tuesday (04/05/2016), R5 requests you start the HQ letter approval process for R5/R3/R4 draft letter (see attached file) re: FERC's DEIS for the Rover-Trunkline-Panhandle Projects (MI, OH, WV, PA, IN, IL, TN, MS). EPA'S Letter is due at FERC on or before April 11, 2016.

Please contact me if you have any questions or need additional information.

Thank you,
Virginia
