Subject: Re: Clean Bay Certified Checklist

Oh sorry, Molly, I just realized I didn't answer/confirm your question about the checklist link. We just updated the entire website, which is why the old link doesn't work anymore.

Here's the new URL: http://www.santamonicabay.org/explore/our-communities/clean-bay-restaurants/clean-bay-certified-resources/

To clarify, I purposefully only linked to the program page so that if we ever update the checklist, the link still "works". If I linked to the actual checklist file and updated that file, the filename changes so that the direct link would not work.

Sure, let's talk at 8 am, tomorrow 9/21.

I may call from home as well. We have people hooking up a greywater system at our house at 8:30 am, so I may need to be around for that.

Molly, do you have a conf line we can use?

Grace,

I just got off the phone with Erica.

She thought we were talking about tomorrow.

If 8am works for you- I propose we go with that as it would be timely info (right before my lunch date with Mobile NEP)

However, if next week is better, lets do Monday or Thursday at the times stated.

Tell Samantha I said hi for me (I think Erica said you'd be talking at 1☺)

Hi Everyone,

I can do 8 AM from home or 12 PM from the office. **Ex. 6 - Personal Privacy** in the morning schedule is a bit off tomorrow.

Erica

Thanks for the quick response and checklist!

I was in a rush and wasn't finding it quickly on the page so I opened the old annual report to find the 'cheater link' ☺

Can you confirm what the URL will be when it is reposted so I can have it handy? The report hyperlink only goes to the program page I believe based on the address copied out of it… and for some reason it doesn't even work from the doc anymore??

http://www.santamonicabay.org/learn/our-work/clean-bay-restaurants/

Also let's try to get on the phone together next week. The window of availability I believe will be 10:30-12:30 PST on either Monday, Wednesday or Thursday. I think Erica starts at 10 (unless you changed your schedule) so giving her breathing room before hopping on a call is good and I leave the office at 1:00 (4pm Est) so we would need to end by 1:00.

I am showing some Clean Bay Restaurant and ReThink Materials to Mobile NEP tomorrow – and will be saying that the NEP is pursuing a partnership model to ideally make a program available to all NEPs ☺

Hope you all are well!

Hi Molly!

Attached is the most recent checklist. We recently found a typo and updated the list we have on our website, so that may explain the missing link. Sure, let's check in anytime! Let us know when you're available!

Thanks for being an ambassador for Clean Bay Certified. Much appreciated! Yes, we are on track with a partnership model and I'm very excited about the work to be done with RD. It took a bit to get going, but I think it's going to happen. Have not signed any partnership agreements yet though.

Hey all!

I was trying to locate the checklist…. I found the old one before the single use plastics reduction items were added. (circa 2010/11)

The link in the FY 16 semi-annual report that had a link to the 'new' checklist says the URL no longer works.

Can you please provide?

Also if we all want to check in sometime that would be great! I am visiting sister NEP tomorrow and want to tell them about your long standing program and want to tell them about the clean bay program as well as our hopeful outcome of forging a partnership model for rethink and clean bay☺ Hopefully that is still the intended outcome and things are on track.

Miss you all!

Best,

Molly Martin
