Hey Melanie and Michael-

This morning I received CDs of the AFEIS . . . do you want one? Please advise.

Thank you,

Virginia

Subject: FW: Submission of Rover AFEIS for Co-op Review your comments by COB 05.23.2916 please

Associate Reviewers-

Please see below email with attachments of FERC's Administrative Draft of the Final EIS (AFEIS) for the Rover Pipeline/Panhandle/Trunkline Projects for our cooperating agency review. We don't have much time, so do what you can. Please provide me with your written comments in your area of interest and/or expertise by COB Monday, May 23, 2016.

To help expedite EPA's AFEIS review, I requested FERC arrange for a conference call with FERC/FERC consultant and EPA HQ/R5/R3/R4 to walk us through their AFEIS and their Responses to EPA's DEIS comments prior to our submitting AFEIS comments . . . however, I don't know if this will happen prior to the AFEIS comment due date. I will keep you posted.

Please call me if you have any questions. Thank you,

Virginia

Subject: Submission of Rover AFEIS for Co-op Review

Good Afternoon!

Attached are the sections for the Administrative Final EIS for the Rover, Trunkline, and Panhandle Projects for your review and comment. Attached is also the Response to Comments filed by federal, state, and local agencies. You will also be receiving an email from me (kim.sechrist@cardno.com) that will provide you access to the appendices on OneDrive (including the agency letters for the response to comments). When editing the documents, please use track changes. Please have all comments/edits completed by **May 24, 2016**. You can provide your edits/comments to Kevin Bowman (kevin.bowman@ferc.gov) and to me. Please keep in mind that this **is not a public document at this point - it is a pre-decisional, agency working document - and therefore, not subject to disclosure**. Please **do not** discuss the contents with those outside of your agency and Rover. Should you get requests to see what you are reviewing - they should be directed to FERC as the lead agency for this EIS.

For those who have requested CDs, you should be receiving those tomorrow morning.

If you have any questions, feel free to contact me or Kevin Bowman.
