;;;;;
Mike,

Just wanted to follow up and see if you can send me the MSDS sheet or sheets per below on the phosphate compound or compounds that have been in use in Flint.

Thanks.

Best Regards,

Bryce,

Thanks.

Mike,

Can you send me the MSDS sheet(s) on the phosphate compound(s) that have or are been in use by the City of Flint?

Thanks.

Hi Scott,

Mike Glasgow (copied) should be able to provide the specific information about the phosphate you are requesting. The dose information is on their MORs, which are uploaded to the www.michigan.gov/flintwater website every week.

Thanks. Bryce

Mark,

Thanks for the information.

Bryce,

Maybe I am missing it in my public searches, but do you have the MSDS sheet on the specific orthophosphate being used in Flint and the amounts being added to the water distribution system?

If not, can you refer me to someone at the City or water plant to contact?

Thanks very much.

Best Regards,
