Hi John,

What are the chances of having all the cross sections, maps etc., that REI is preparing when we meet this week? I need to remind Dave Larsen that they need to comply (for the Kozaks) with our submittal schedule and was hoping you would know the status.

Looking forward to our discussion.

Thanks.

Bob

The meeting on Tower Standard is scheduled for 11 a.m. on Thursday, February 4th at the Natural Resources building (GEF2), 101 S. Webster St., Madison. Downtown Madison parking is available at a number of locations the best choice would be the Government East Garage on Doty St. which is one block from the DNR office (see attached map). Visitors are required to stop at the reception desk on the first floor to gain entry to the building. I have given the receptionist your names and she will issue you a visitor pass. After checking in the receptionist will call me and I will meet you at the reception desk and take you to room 313 for our meeting.
