I just signed it out for you for pick up on 2/3 through 2/5.

It doesn't look like anyone has had it in a while. You might want to check it out in advance to make sure the battery and everything is in order.

Thanks. I meant to do that last week. No one had the Escape, so I wanted to take that.

I can mark myself down tomorrow if you don't get a chance.

Sorry. I forgot to tell you that I spoke to John on Friday and he mentioned that the three WDNR people could all meet on the 5th. I should have told you.

Thanks for following up with Kristen. Hopefully, this date will work for the tribe. Will you be taking one of the UST vehicles up? Do you want me to reserve it for you?

Kristen,

It looks like DNR is available on the 5th. Please let me know if your group can make that date so I can make my travel plans.

Thank you.

Bob

Chris, Judy and I are available to meet. We have reserved a room at the Rhinelander Service Center for the 5th. Chris is working with REI on getting the information out to us before the meeting.

We are committed to service excellence.

Visit our survey at http://dnr.wi.gov/customersurvey to evaluate how I did.

Hi John,

Have you heard whether your group is available on Feb. 5 to discuss the site?

I am still waiting to hear back from the tribe also, but wanted to check. Also, I will be sending another request to REI to get the well logs, sampling sheets, etc. from the last field effort. We have not yet received the information and I want to get it to our contractor so they can produce some figures for me, but I need this information. This was noted in the last letter sent to the Kozaks and Mrs. Kozak told me that she forwarded the letter to Dave at REI.

Thanks.

Bob
