> Hi Jane-

> Attached are the Council Program (2 pager) as you and I revised it, and the drat Annotated program—removing all of our internal notes and questions for you AO. These are clean versions that we could share with Canada, Mexico, and Secretariat in advance of the Alt reps call. Are we ready to share the short program or both the short and annotated? Attached for your convenience and direction so I can coordinate final details of the call by tomorrow.
