Lincoln,

Attached is the revised agenda that I sent Ryan earlier this morning, but it has already changed after I talked with him and the Administrator. Here are the events requiring remarks:

- Business Environmental Innovation Roundtable (Ryan asked to keep this and delete Sustainable Packaging Roundtable)
- Judicial Roundtable
- Meeting with Vatican Secretariat for Relations with States
- Meeting with Vatican Pontifical Academy of Sciences (new addition - Ryan said to ask Nancy Beck for help on this meeting, no Cardinal Turkson meeting)
- All the Saturday events

We are also scheduling bilateral meetings with the G7 Ministers on Sat/Sun, but my office will prepare short draft remarks.

Jane

Thu, June 8
- Keep Sustainable Packaging and Judicial Roundtables, but delete Business Environmental Innovation Roundtable (Embassy recommendations)
- Delete some private Vatican tours, but keep private dinner with Leonard

Fri, June 9
- Move Vatican mass and meetings to Friday, keep some private Vatican tours and private dinner
- Delete Green Sports and baseball events, delete Free Market Roundtable with Bruno Leoni Institute

Sat, June 10
- Schedule unchanged

Sun, June 11

Let me know if you would like to discuss – I can stop by before or after the security briefing at 10am. The Embassy is anxious to know new plans since they need to cancel meetings/hotel reservations.

Thanks,

Jane

With the President requesting that Pruitt accompany him to an event in Cincinnati on Wednesday June 7 and with the Cabinet meeting June 12, we need to adjust this trip.

I need to get options for flying out of JFK to Rome on the evening of June 7, trying to reschedule meetings with Vatican officials for Thursday and Friday, cancelling what we have presently planned for Friday, maintaining Saturday events, trying to make best use of earlier Sunday morning, then get Pruitt out of Bologna and back to the US for the June 12 Cabinet meeting.

I believe it's best for Sam and Mandy to accompany Jane at the G7, and we will work on the initial Rome arrangements. I would expect that Lincoln will continue to need to attend to any press activities in Rome and the G7. Likely I will not travel.

This is not ideal, but these things happen often.

Ryan.
