Subject: EPA Roundtable June 8 -- RSVP

Hello,

We wanted to send an update on RSVPs for the June 8 business roundtable. In addition to the confirmed participants we expect to have a representative from Coca-Cola's EU office, but they are still working to identify who will come. We have followed up with the invitees who have not yet confirmed and will send another update on Friday.

Once your advance dates have been finalized for next week please let us know when to plan to do the roundtable walkthrough at the Embassy. As I will be out of the office, Kira Migliorini will be your main point of contact for the walkthrough.
