Subject: Names for residents - notification of private well sampling data

Kristin,

I am working with Bob to get notification letters out all the private residents that had their private wells sampled. It would be best to identify the person that lives at each address so that we can send them personalized letters. Could you assist us in identifying who the last known owner is at the addresses below (especially those on trust land):

Name of last known resident	Address
	1428-1432 Highway D
	1285 Haskell Lake Landing
	1175 Haskell Lake Landing
	1167 Haskell Lake Landing
	1161 Haskell Lake Landing
	14284 State Highway 70 West*
	14277 State Highway 70 West
	14299 State Highway 70 West
	14436 Haskell Heights Drive

*Name of contact at the Tribal Office building

Thanks,

Sherry
