>> Hi Mark, thanks for getting back to us. I agree that Gallagher expressed skepticism primarily over renegotiating Paris. I had taken the quote about withdrawal from my notes on his opening remarks: "Since then, and please do expand on the terms of withdrawal, when President Trump has talked of withdrawal from the agreement, considering all the effort and time in reaching the agreement, we are skeptical. Something I told the President when he visited is that Paris was nonbinding." I can incorporate your comments and make a note of this separately, just so we accurately convey the disappointment he indicated in the U.S. decision to withdraw.
