Ex. 6 - Personal Privacy, you're probably way ahead of me on this but…

Since we had an hour on the schedule set aside for a separate meeting with Ex. 6 - Personal Privacy, who presumably would be attending the other Vatican meetings, would it make sense to consider using at least some of that time to ease scheduling that morning?

Just a thought….
Anna

Understood. If, in addition to the meeting with the Secretariat of State, we only have time available that morning for either a meeting with Archbishop Sorondo or a tour of the air filtration system / solar panels, would you prefer Sorondo then?

Thank you, that would be great if it can work out.
And, Archbishop Sorondo would be fine in Rome. If delegation tour of Sistine Chapel Air Filtration System has to fall off the schedule, that is fine too.

Thanks, Mark

Hi Mark, I can reach out to his staff at the Dicastery for Integral Human Development and ask about the Cardinal's availability while he's in NYC. I'll let you know what I hear back.

I think you mentioned that Cardinal Turkson would be in New York the week the Administrator is at the Vatican. Would Cardinal Turkson be available to meet with the Administrator in NYC on Wednesday, June 7th?

Mark and Anna – just wanted to clarify that if we hope to have the judicial roundtable from 12-1pm on Friday, it is probably best to plan for just two Vatican activities that morning. For example, we could arrange the tour of the air filtration system and solar panels and also the meeting at the secretariat of state, but it might be hard to also fit in a meeting with Archbishop Sorondo. In that case, would you prefer to just do the tour and secretariat of state meeting?

We would like to stick with Cardinal Turkson's deputies. Can you forward their bios?

Thanks, Mark

Hi Anna and Mark;

A quick update from the Vatican side: We are set for the air filtration / solar panels tour with the Vatican's Chief Engineer and the meeting with the Secretariat of State. However, since Cardinal Turkson is out of town those days, we have two possible alternatives for a third meeting on the morning of June 7:
One option would be to meet with Turkson's deputies in the Dicastery for Integral Human Development, Dr. Flaminia Giovenelli and Dr. Tebaldo Vinciguerra (who played a large role in drafting Laudato Si and met former EPA Administrator McCarthy during her visit); or alternatively our Charge suggested he could meet with Bishop Sanchez Sorondo of the Pontifical Academy of Sciences, who hosts conferences at the Vatican on a wide variety of scientific and environmental issues (bio attached). Giovenelli and Vinciguerra could be more substantive, but Bishop Sorondo is higher ranking. Let me know what you prefer.

Another important update for you – since the other Vatican tours and masses are personal in nature and privately arranged, our Charge has decided that we will not accompany for that portion of the schedule. So the Charge and I will be with you just for the morning of June 7th during the official meetings.

Thanks,

Importance: High

Hi, Ex. 6 - Personal Privacy – We appreciate all of your efforts in making arrangements for the Vatican portion of Administrator Pruitt's upcoming mission to Italy.

We are beginning to put together event memos for the Administrator's briefing book and will welcome receiving details as available on the various Vatican events. FYI, we will be using the attached format to give you an idea of what will be needed. However, we will be happy to take the information you have in whatever form you can provide and we will put it in the proper place.

FYI, we have been asked to keep the briefings short, crisp and focused so there won't be a need to write anything lengthy and only key information will be needed. In addition, your recommendations on any useful (targeted) background material also would be welcome and appreciated.

Thanks again for your help!

Best,
Anna
