I had a brief call with REI this morning, they hope to complete the work plan late next week or early the week of June 5th. I will make sure that we give you enough time to review and

comment on it.

We are committed to service excellence.

Hi John,

Can you let me know when you receive the REI work plan for Tower Standard? It will put me on notice that I can expect to see it in a couple of days. I plan to take the first week of June off and don't want to miss my turn-around time for comments.

Thanks and have a great holiday weekend.

Regards,

Bob
