Hey All,

We have a bit of a situation here. I don't want to go into too much detail, but Garner has just informed me they are planning to pull off-site because they have not been paid. This will include CTEH. I'm assuming this might also mean that CTEH would close off access to all their data. Please, as fast as you can make sure we can capture and retain the CTEH data posted to date.

Subject: 8/11 Data

8/11 Data is in the viewer and the locations graphs are updated.
