Subject: FW: Rangely Drum Site - A8E8

Hey John,

Andrea is correct (talk about an eye for detail)! Both the Rangely Drum AM and the PolRep have an incorrect SSID # ofA8E9, which is the SSID# for the Red River Warehouse Fire. Please work with Joyel to correct the Rangely Drum documents. Thank you, lw

I think that's another warm fuzzy for Andrea!

Hi Joyel. Is the Rangely Drum Site the same as the Red River Supply Warehouse Fire site? There is no site id for the Rangely Drum site but the site ID number you referenced on the coding sheet is the same as Red River.
