IMG_9142.JPG

Dear Mr. Prince,

I wanted to let you know you we expect the USEPA to attend the upcoming CAG meeting on Monday, June 19th at New York University School of Medicine, Department of Environmental Medicine Auditorium, 57 Old Forge Road, Tuxedo NY, 10987. The CAG hearing is being filmed for a documentary and the public expects the USEPA senior management to attend. We will have a technical advisor, as well as copies of our recent water sampling of the Park Brook and seeps from the Ringwood Mines Superfund Site.

We hope you dress appropriately and look forward to seeing you there in person or by proxy.

We took the the liberty of picking your wardrobe in advance because you will featured in the documentary and we want to make sure you properly represent the agency.

Respectfully,
Robert Spiegel
Executive Director
