Bob,

Wanted to give you an update since I had told you I was aiming to have this Tower admin work plan/cost estimate to you by COB yesterday. Something has come up and I am delayed a bit, still aiming to have it to EPA today, or at least by the end of the weekend.

Bob,

I'm just receiving the last little bits of info I need this morning, and I'm going to aim to have it done by COB today. Worst case, sometime tomorrow.

Hope that helps the review schedule!

Hi Matt,

I know that your submittal is not due until the 12th, but do you have an idea of whether it may be submitted earlier? I am trying to anticipate my review schedule for it.

Thank you.
