Subject: RE: May 26th Availability, Haskell Lake Area Petroleum Contamination Meeting

Hi everyone!

Could you hold May 26th. It is a date that is good for almost everyone. I still need to confirm that the Kozaks and REI will be available.

This meeting will be a general meeting to try to get everybody up to speed on what has been happening. After some general points about needed coordination, cooperation and schedule, we'll excuse the Kozaks and have the first of what I anticipate will be monthly technical meetings.

Subject: May 26th Availability, Haskell Lake Area Petroleum Contamination Meeting

Good Morning Bob and Sherry,

LDF is available on the May 26 date that was proposed for the Haskell Lake Area Petroleum Contamination Meeting.

Kristen
