Sabu,

I have downloaded and looked at the data and it appears that both the raw and processed bathymetry data of the Tenkiller lake and the bathymetry data used in the W2 model are available.

Thanks,
Silong

Chris,
Thanks for the immediate response!

Regards,
Sabu.

Importance: High

Hi Chris,
Good news! Taim received Scott Well's CE-QUAL-W2 model related files, including the bathymetry. Please download the data from the following link. Let me know once you download them. Please review ASAP to make sure we have all the required data.
