I will set up an appointment with DNR for the 16th at 10am. We are still working on the agenda but it is to cover LUST program and LUST grant matters. Tower Standard will not be part of the agenda. It may come up but we don't intend to talk much about it except to say that Margaret would like to set up a meeting with Darsi to discuss this with a projected meeting time in early January.

Hello Judy!

I have changed the subject line of this email to LUST Grant meeting which I now propose to be just a conference call with you, LUST program staff, and your grant specialist. We don't intend to talk about Tower Standard at this meeting so the folks that have an detailed understanding of the project need not attend.

Since December 16th worked for the meeting time before, I trust that it still open for you now. I was thinking about 1-1.5 hour call to cover LUST program and LUST grant. Is there a particular time that would work well for you? Our morning is more open and that would be our best time for a call. Could I suggest 10am?

Sherry,

I received your voice mail and appreciate the update. I will look for your email as we work to confirm meeting times to address the Tower Standard communication concerns and LUST Grant strategies. Thanks for the message!
