Judy,

Thanks for your voicemail and email response on this. Both Gary and I can make a call on Tuesday afternoon between 11 and 12:30. Should I send you an appointment to call you at your office? Or, should I set up a call in number to accommodate people on your end calling from different places?

Can we talk on Tuesday – between 11 and 12:30 or 1:00 to 2:00?

We are committed to service excellence.

Judy,

Gary Victorine and I would like to set up a time to talk with you about the Tower Standard LUST site in the Lac du Flambeau Reservation. Bob Egan in my section has been discussing with John Robinson the WDNR's process for reopening that site for PECFA eligibility. We would like to get a status update regarding any decision on that possible reopening. Can we set up a 20-30 minute call either tomorrow or next week?
