Hi Meleah-

I will not have authorization to talk to the press on Monday- if the press is present, I will have to shut down the call.

Hi Nicole – thanks for the invitation for Monday's update call on SH Bell monitoring data. As I will technically be on vacation and at home covering childcare, I'd like to invite Josh Mogerman from my office to join as well. Does that work for you? I'm guessing Debbie will also want to invite her client Olga, and we'd like Peggy from SETF (who I believe was at our last in-person meeting) and/or Keith Harley to join as well, if possible on EPA's end.

Best,

Meleah
